CLARIFICATION

Ta'lim Tests

TA'LĪM TEST II FOR 2011

- If anyone has not taken this test – take it by Midnight of Tuesday, Jan 31, 2012.
- Can one take test without registering?
 - No, you have to register so that system can track who has taken the test.

SOFTWARE LIMITATION

- Explanation provided by the software manufacturer:
 - This is difficult to implement for technical reasons.
 - To explain: The quiz has to link all information about an attempt to a particular 'user' record in the database, and each user can only have one open quiz attempt at a time. All not-logged-in users share the same 'guest' user database record. Therefore, two guests could not attempt the quiz at the same time, and even if they could, it would be difficult to prevent one guest seeing another guest's attempts.

TA'LĪM TESTS

- In the process of evaluation of Majālis Ta'līm test taken or not taken by Za'īm is also factor.

PURPOSE OF AUXILIARIES

PURPOSE OF AUXILIARIES

- To compliment the work of Jamā'at
- Same age group have similar needs and similar thought processes. They can work together.
- Provide training ground to serve Jama'at. There is a reason why auxiliaries 'Āmila members are appointed not elected. There is a reason for reciting their pledge.
- Narrower focus on moral training related issues.
- Activate members to become regular in Jamā'at activities.

PURPOSE OF AUXILIARIES

The Auxiliaries & Jama'at: Views of Hazrat Musleh Mau'ūd^(ra) (Mashel-e-Rah)

- Majlis Ansārullāh & Majlis Khuddāmul Ahmadiyya are for strengthening the unity of the Jamā`at not for creating dissension (Page 489).
- President cannot directly order Majlis Khuddāmul Ahmadiyya or Majlis Ansārullāh for any work. Only their Qā'id or Za'im can order their respective members. Presidents can ask some work to be completed by any Jamā`at members (khadim, Nāsir, Lajna member) as individual members of the Jamā`at and they must cooperate with him (page 488).
- Majlis must cooperate with the Presidents (page 488).
- The Presidents and Secretaries should support the auxiliaries and insist members to join their respective Majlis. (Page 90).

PURPOSE OF AUXILIARIES

Independence of Auxiliaries

- Recognize their purpose and importance
- Give auxiliaries the freedom to carry out their own plans or deploy their national plans at local level.
- Auxiliaries related issues are to be addressed by the auxiliaries at the local, regional, & national level.
- Any public events to be held outside the Jama'at forum by an auxiliary will need a prior consent of the local President.

PURPOSE OF AUXILIARIES

- Should a courtesy copy of monthly reports at local level be given to the local Presidents?
 - Yes. It helps the Jama'at President to address auxiliaries needs.
- Should the activities of the Jama'at be part of auxiliaries' report?
 - Yes. Auxiliaries can report participation in the Jama'at activities.
- Can local President lead the pledge in an auxiliary.
 - Not organizationally. Only if requested by the Qā'id MKA or Za'im MA.

AUXILIARIES AND JAMA'AT

Q: What about the auxiliaries in their own sphere of activities, programming their events, etc.?

A: Auxiliaries are independent to make their program but each activity should be discussed with President so that he is aware of all activities going on in a given Jamā`at.

AUXILIARIES AND JAMĀ'AT

Q: Do auxiliaries send reports to the local President?

A: Administratively local President cannot ask for a report from a Za'im. However, there is no issue in sharing Zu'amā's reports with Presidents.

 - Send this list to Nā'ib Sadr Saf Dom (Imran Hayee) by the end of February 2012.
