Recitation of the Holy Quran

Allah has promised to those among you who believe and do good works that He will surely make them Successors in the earth, as He made Successors *from among* those who were before them; and that He will surely establish for them their religion which He has chosen for them; and that He will surely give them in exchange security *and peace* after their fear: They will worship Me, *and* they will not associate anything with Me. Then whoso is ungrateful after that, they will be the rebellious. (24:56)

وَعَدَ اللَّهُ الَّذِينَ آمَنُوا مِنْكُمْ وَعَمِلُوا الصَّالِحَاتِ
لَيَسْتَخْلِفَنَّهُمْ فِي الْأَرْضِ كَمَا اسْتَخْلَفَ الَّذِينَ
مِنْ قَبْلِهِمْ ۖ وَلَيُمَكِّنَنَّ لَهُمْ دِينَهُمُ الَّذِي
ارْتَضَى لَهُمْ وَلَيُبَدِّلَنَّهُمْ مِنْ بَعْدِ خَوْفِهِمْ أَمْنًا ۗ
يَعْبُدُونَنِي لَا يُشْرِكُونَ بِي شَيْئًا ۗ وَمَنْ كَفَرَ بَعْدَ
ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ ﴿٥٦﴾

The Holy Quran Segment

Allah has promised to those among you who believe and do good works that He will surely make them Successors in the earth, as He made Successors *from among* those who were before them; and that He will surely establish for them their religion which He has chosen for them; and that He will surely give them in exchange security *and peace* after their fear: They will worship Me, *and* they will not associate anything with Me. ذَلِكَ فَأُولَٰئِكَ هُمُ الْفَاسِقُونَ ﴿٥٦﴾

Understanding the Verse

1. This verse is describing which important subject matter?
2. The fulfillment of the promise of Khilafat depends on which factors?
3. What are some of the blessings of Khilafat?

1. After presenting the concept of obedience to Allah and His Messenger in the preceding verses, this verse presents the concept of *Khilafat*. It's prerequisites, blessings and obedience.
2. The verse further says that the fulfilment of this promise will depend on the Muslims' observing the Prayer and giving the Zakah and on their obeying the Messenger of God in all religious and temporal matters concerning the nation.
3. When they will have fulfilled these conditions, the boon of *Khilafat* will be bestowed upon them and they will be made the leaders of nations; their state of fear will give place to a condition of safety and security, Islam will reign supreme in the world, and above all the Oneness and Unity of God—the real purpose and object of Islam—will become firmly established.

Khalifa's guidance (may Allah be his helper)

Suggested Time = 20 mins

(All Ansar members need to participate in this discussion)

It contains the following items:

1. Scenario, question and discussion(2 slides)
2. Guidance from the Khalifa (1 slide)

Discussion Scenario

After a Tabligh program, where the local missionary explained the many differences in beliefs between Ahmadi Muslims and the rest of the Muslims, one of the Nasirs was a bit concerned and approached the Missionary. He felt that we should focus more on unity and not dwell on the differences. He should avoid bringing the topic of the coming of Messiah and Khilafat as it upsets the rest of the Muslims. If all Muslim sects come together in this way without talking about our differences, we can bring about unity of the Muslim world and ultimate victory.

Discussion

- Which of the following would you agree with?
 - a) The Nasir is correct, it is futile to talk about faith differences such as the coming of the Messiah. We should focus on the common concepts amongst the Muslims such as the Holy Prophet, the Holy Quran, Salat etc. This will lead to Muslim unity and victory
 - b) The Nasir is mistaken, it is only the belief in the Ahmadiyya Khilafat which can ultimately lead to Muslim unity
- If Ahmadiyya Khilafat will last till the end of time, why is there so much stress on belief and good deeds?
- How can Khilafat lead to world peace?

Khalifa's (aba) guidance (1 of 2)

“Nowadays the world is suffering from immense unrest. Muslims are fighting each other and having been split in various sects they are immersed in hate. Those who recite the same Kalima and are associated with the same Prophet (Muhammad pbuh) are at war against each other. Despite the presence of the Holy Quran and treasures of Ahadith, the Muslims are unable to recognize the leader who have been sent by the Allah the Almighty to unite them on one hand. You are fortunate to have been associated with the system of Khilafat by the virtue of being part of the Jama'at of the Imam of the age, the Promised Messiah (peace be on him), which is everlasting by the grace of Allah”. Khalifa's (aba) guidance (2 of 2)

“As much personal relationship you will have with the Khalifa of the time, so much you will partake from religious and worldly goodness..... Thus, to benefit from the confines of security, all of you will have to make your ties with Khilafat stronger. Prayers will have to be offered for supremacy of Islam and world peace and will have to elevate the standards of obedience.... Remember, today it is only the Ahmadiyya Khilafat which will bring about the victory of Islam. It will teach us true Tauheed and accomplish global unity. May Allah keep you and your future generations (bonded) with Khilafat and enable them to show the highest standards of obedience. May Allah be with you, Ameen”.

Al-Wasiyyat (The Will)

“Look, I say to you truly and sincerely that ruined is he whose faith is tainted by even a hint of worldliness. Hell is very close to that soul all of whose intentions are not for God—rather some of them are for God and others are for the world. Thus, if you have an iota of worldly adulteration in your intentions, all your worship is in vain. In such a case you do not follow God. Rather you follow Satan. Never ever expect that when you are in such a condition God will help you ” (The Promised Messiah, peace be on him)

Questions for self reflection

- 1. Have you joined the system of Wasiyyat? If not, are you comfortable with your reasoning?*
- 2. If you are a Moosi, are you satisfied with the spiritual purification expected of you?*

“Every *Nasir* should himself analyze his state and endeavor to become regular in congregational prayers. One should undertake the utmost effort to observe prayers in congregation mainly in the mosque, salat center or if this is not possible, then with the members of the household”. (Friday Sermon 9/29/2017)

Antibiotics Use and Misuse

Antibiotics

Antibiotics are medicines that help fight infection caused by destroying BACTERIA

Antibiotics are perhaps the greatest lifesaving medicines that we have against serious infections

Antibiotics Misuse

Indiscriminate and inappropriate use of Antibiotics has led to widespread RESISTANCE TO MANY ANTIBIOTICS

It has also resulted in development of **Superbugs**; bacteria that are aggressive and resistant to almost all known antibiotics

Antibiotics Misuse

- Experts worry that there will soon be infections that will not respond to any antibiotics available
- There are not many new antibiotics in the pipeline. We need to save what we have

When are Antibiotics NOT HELPFUL

- Antibiotics are not effective

- **When infections are caused by Viruses** - such as the common cold, Flu (Influenza), most cases of sore throat, sinusitis, acute bronchitis. Low grade fever or mucous does not mean you have a bacterial infection. These are some of the commonest illnesses patient abuse antibiotics

- People get better with or without antibiotics but feel pressured that they must take antibiotics to get better.

Harms of Antibiotics

- **Antibiotics cause side effects** like nausea, vomiting and diarrhea. They can frequently cause secondary infection like yeast infection
- **Allergies are common** which can be mild (rash, itching) but can be serious to life threatening
- Antibiotics resistance leading to serious infections by superbugs may lead to hospitalization or even death

When should I take an Antibiotics

- Antibiotics should only be taken when prescribed by a doctor for an appropriate infection
- Never take an antibiotics prescribed to someone else
- Never take an antibiotics given for a previous illness
- Do not pressure your physician for antibiotics

What can I do to reduce Antibiotic Resistance

- Do not pressure your doctor to prescribe an antibiotic
- Take your antibiotic as prescribed and finish the course. Do not skip doses or stop without talking to your doctor
- Do not give an antibiotic prescribed to you, to your friends and family for any reason
- DON NOT USE ANTIBACTERIAL SOAPS or CLEANSING PRODUCTS. Alcohol based gels are ok to use
- If an antibiotic did not work once does not mean it will not work for another condition
- Remember the most dangerous doctor is DOCTOR GOOGLE
